

ASTORIA

Uncoated Smooth Opaque

The 60# and 70# Astoria Smooth Opaque papers are designed to meet the demands of high-end printing applications.

With excellent smoothness and opacity, our paper is optimized for digital and offset printing. A 97 brightness and blue-white shade means all of your printed images and text will be clean and sharp. Astoria Smooth Opaque is made with optimal stiffness and bulk so it stands up well to the rigors of finishing and delivers when paper performance is critical. All grades are available with FSC® or SFI® certification and can be made with 10% to 30% post-consumer waste (PCW) upon request.
