

Heavyweight

# CAPISTRANO C1S

Strong yet beautiful paper ideal for print, packaging, or other specialty processes.

Capistrano® C1S is a smooth, blue-white, coated one-side sheet that works in a variety of printing and packaging applications. Available in 90 bright 70# and 80# basis weights, Capistrano C1S heavyweight papers print beautifully and hold up to the rigors of folding, die-cutting, litho lamination or any strenuous converting processes. Available with 10% - 30% PCW upon request.

**Available as a single-ply, solid bleached sulfate (SBS) caliper cover.**

Offering excellent formation and strength, our 8 pt. caliper is ideal for cover grades used for folders and postcards.

## Specifications

Basis Weight (25x38)	Basis Weight (GSM)	Brightness	Gloss	Opacity	Caliper
70#	104	90	72	90.5	3.80
80#	118	90	72	92.5	4.20
119#/8 pt	176	90	36	95.0	8.00

Some of these grades may require minimums and trim. Please contact your sales representative for details.

Specifications are based on testing and measurement that we believe to be reliable and are intended for information purposes and do not constitute a warranty. Purchasers should independently verify suitability for specific product use. Caliper figures are an approximate single sheet measurement and may not be appropriate for lineal footage calculations.
